

The Gravestones in the PELHAM HILL CEMETARY, behind the Town Hall,
in the Center of Town.

Rows are numbered from east to west, stones within each row are
lettered from north to south. To find stone 12G, start at the east
wall, and count back twelve rows, then count across A through G,
and if all goes well, you are at stone 12G.

Compiled for the Pelham Historical Society by Kelvin Kindahl.
